TGE Cub Creed

I pledge to be a better student today.
Better than I was yesterday.

I pledge to focus, read well, do my best daily, and be college ready.
All this I will do today, tomorrow, and always. The choice is mine.

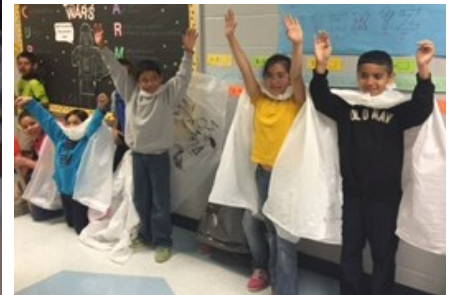

TGE Scholastic Book Fair

Tony Gonzalez Elementary hosted a Scholastic Book Fair this past week. The book fair was open every day and many students and parents enjoyed refreshments as they purchased books. The librarian hosted Muffins for Mom, Donuts for Dad, and Granola for Grandparents. The turnout was a success.

Students, teachers, and staff at TGE celebrated 100 days of school. Students with perfect attendance were allowed to participate in a parade around the school hallways. Students very confidently stated that they were now 100 days smarter!
