### TGE 4 CORE VALUES:

- PRIDE
- LEADERSHIP
- RESPECT
- SELF-DISCIPLINE

### TGE Cub Creed

I pledge to be a better student today.  
Better than I was yesterday.

I pledge to focus, read well, do my best daily, and be college ready.  
All this I will do today, tomorrow, and always. The choice is mine.

Dear Parents,

Please be informed that Santa Maria ISD will conduct a Benchmark for the State of Texas Academic Assessment Readiness (STAAR) and will also be conducting end of the six weeks exams beginning Monday, February 15, 2016.

We have been working to prepare your child all school year offering additional learning time and more targeted instruction. Since the beginning of the school year, your child and his/her teachers have worked hard in preparation of the STAAR. We want to thank you for your support, and we anticipate improved test scores as a result.

Please have your child report at our start time, 7:45 AM. We ask that your child is well rested, and please note cell phones and all other electronic media devices are prohibited during testing. If you have any questions, please contact our campus at 956-565-5348.
